

Mr. Henry Tan

Chairman, Health, Safety, Security, and Environment
Function Committee

Group Managing Director, Alpha-Health (Asia) Pte Ltd

Henry Tan is a seasoned entrepreneur, respected industry leader, and dedicated community servant with over 40 years of experience spanning healthcare, business leadership, and civic engagement. As Managing Director of Alpha-Health (Asia) Pte Ltd, Henry leads a group of companies distributing healthcare products and medical devices across Singapore, Indonesia, and Thailand.

Before founding Alpha-Health, Henry held senior leadership roles, including Country Manager and Director of Business Development at Baxter Healthcare (Asia), as well as key positions at Eastern Agencies and Reckitt Industrial (UK).

Henry's passion for advancing Singapore's MedTech sector led to his appointment as Chairman of the SMF MedTech Industry Group and previously President of the Association of Medical Device Industry (AMD). His contributions earned him the Spirit of Enterprise Award in 2012 and Special Leadership Recognition in 2013.

A lifelong Rotarian, Henry has held key leadership roles, including District Governor (2018/2019) and Club President of the Rotary Club of Singapore West. His transformative work with the Rotary Family Service Centre earned him the District Outstanding Rotarian Award.

Beyond Rotary, Henry serves as Justice of the Peace and Visiting Justice at Singapore Prisons, Family Court Mediator, and marriage solemnizer. His deep-rooted commitment to community work was recognized with the Public Service Medal (PBM) in 2011 and the People's Association Long Service Award. With an MBA from the University of Strathclyde, Henry continues to balance business leadership, community service, and personal passions like jogging, golf, and social work — embodying a life dedicated to excellence and service.
