

Mr. Nigel Lee

Council Member, Singapore Manufacturing Federation
Country General Manager, Lenovo Singapore Pte Ltd

Nigel is a seasoned technology executive with more than 28 years of experience in the IT industry, spanning leadership roles in global technology giants and regional enterprises. He currently serves as a Council Member of the Singapore Manufacturing Federation (SMF) for the 2024–2027 term, contributing his industry insights to support the Federation’s mission of advancing Singapore’s manufacturing sector through innovation, digitalisation, and talent development.

Throughout his career, Nigel has held a range of pivotal roles in renowned multinational companies such as Hewlett Packard, Fujitsu, and Dell, where he was responsible for driving regional business growth and developing strategic partnerships across Asia. His proven ability to lead high-performance teams and execute sustainable business strategies has made him a trusted leader in the technology space.

Prior to his current role, Nigel served as the General Manager of Brother International Singapore Pte Ltd, where he successfully led the company’s operations, strengthening its market position and delivering consistent results in a competitive landscape.

Nigel holds a Bachelor of Arts in Mathematics from Indiana University, USA. Outside the boardroom, he is a dedicated father to grown-up triplets and an avid runner who regularly takes part in marathons across the region—reflecting his passion for endurance, discipline, and personal well-being.
