

Mr. Timothy Chan

Council Member, Singapore Manufacturing Federation
Chief Executive Officer, Future Fields Pte Ltd

Timothy is the Chief Executive Officer of Future Fields Pte Ltd, where he oversees a dynamic portfolio of businesses across the Food & Beverage (F&B), trading, and distribution sectors. He also leads the operations of BHF Pte Ltd and other affiliated entities. With a strategic focus on mergers and acquisitions and long-term growth planning, Timothy plays a key role in steering the group's expansion and transformation.

An alumnus of the University of New England, Australia, Timothy holds a Bachelor's degree in Financial Administration. His academic foundation has supported a distinguished career spanning over 30 years in the F&B industry. Throughout this journey, he has held senior leadership positions at prominent companies such as Polar Puffs & Cakes Pte Ltd, Delifrance Asia Ltd, and Koufu Group Ltd.

Beyond the corporate realm, Timothy has actively contributed to the community. He served as a District Councillor at the South West Community Development Council from 2009 to 2023, committing over a decade to social development. He also supported the advancement of the food manufacturing sector as a committee member of the Singapore Food Manufacturers Association from 2001 to 2008.
