

Mr. Margareta Laminto

Council Member, Singapore Manufacturing Federation

Group Chief Operating Officer, Fullerton Healthcare Group Pte Ltd

Margareta Laminto is an accomplished healthcare executive with over 20 years of global experience spanning medical devices, specialty pharmaceuticals, and healthcare services. She currently serves as the Group Chief Operating Officer of Fullerton Health Pte Ltd, where she plays a pivotal role in driving operational excellence, strategic growth, and innovation across the organization's healthcare network.

Before joining Fullerton Health, Margareta was Country Director for the Hospital Group at Johnson & Johnson, where she led key strategic initiatives, market expansion, and business development efforts. Her diverse expertise spans strategic marketing, account management, change management, government engagement, and leadership development, making her a highly respected figure in the healthcare industry.

Margareta holds an MBA in Strategy and Finance from The University of Chicago Booth School of Business, equipping her with strong business acumen to complement her deep industry knowledge.

Beyond her corporate leadership roles, Margareta actively contributes to Singapore's healthcare and manufacturing ecosystem. She served as the Chairperson of the Medical Technology Industry Group for the council term 2021 to 2024 at the Singapore Manufacturing Federation (SMF), a current Council Member at SMF, and a Board Member of GS1 Singapore, a non-profit organization responsible for issuing GS1 barcodes in Singapore.

With her global perspective, strategic vision, and passion for advancing healthcare innovation, Margareta continues to play an instrumental role in shaping the future of the MedTech industry in Singapore and beyond.
